

Kia ora and welcome to New Zealand.

Driving in New Zealand is a great way to experience our country but it can be different from driving in other countries. We have a good but limited motorway system and weather extremes, the terrain and narrow secondary roads and bridges require drivers to be very vigilant.

You can find out what's different about driving in New Zealand at www.drivesafe.org.nz. DriveSafe provides everything you need to know for a safe and enjoyable driving adventure, from road rules and etiquette to links to further resources.
