Drive Safe Code of Practice

Kia ora and welcome to New Zealand.

Driving in New Zealand is a great way to experience our country, but it's different from driving in other countries. We drive on the left, our weather can change quickly, and our winding, narrow roads require drivers to stay vigilant.

Your safety is our priority. We want to make sure you're equipped with everything you need to feel confident driving here before you begin your hire with us. Please complete the questions below and return this to our team. Take your time, and answer honestly, this is about your safety and the safety of everyone else on the road.

Please tick the relevant answer for each question below:

1. Have you driven on the left-hand side of the road before? ☐ Yes ☐ No
2. Are you comfortable driving a vehicle of this size and transmission type? ☐ Yes ☐ No
3. Have you driven regularly in the last 12 months? ☐ Yes ☐ No
4. New Zealand has a lot of roundabouts, which may have different rules. Are you confident about how to use them? ☐ Yes ☐ No
5. New Zealand country roads are often narrow and winding. Are you comfortable judging when it is safe to overtake? ☐ Yes ☐ No
6. Long drives between places are common in New Zealand. Will you take regular rest breaks and avoid driving while tired? ☐ Yes ☐ No

☐ I have been provided with the Driving in New Zealand resource.
